House passes McManus bill to create 'Michigan Manufacturing Day'

LANSING – The House of Representatives today passed a bill to create Michigan Manufacturing Day, announced Sen. Michelle McManus, sponsor of the bill.

“This day gives all Michigan residents an opportunity to recognize the manufacturing industry’s tremendous historic, scientific, economic, and cultural significance to our state,” said McManus, R-Lake Leelanau.

Senate Bill 1026 would declare the third Friday in September as Michigan Manufacturing Day. Manufacturers would be encouraged to open their plants and facilities, and residents would be encouraged to visit and learn about Michigan’s manufacturing culture and history.
